## HOBBIES

- Photography
- Chess
- Poetry

## LANGUAGE

- Bangla
- English
- Hindi

## ABOUT ME

I'm a passionate software developer who loves building impactful side projects that bridge creativity and technology. With a strong interest in both robotics and poetry, I find inspiration in diverse fields. I'm part of MongolTori, a Mars rover team competing in the international URC, where I contribute to innovative engineering solutions. I also work with Mayhem Studios, a team of five full stack developers creating tailored software solutions for clients.
